Performance and Endurance

Feb - Mar 2018

\$119.90

NEW77: PRESSURE GUN ONLY

A well balanced general purpose spray gun. Polished body for easy cleaning with a built-in air adjuster.

Comfortable to use with excellent manoeuvrability. Ideal for Medium to Large paint jobs

AZ1: CONCEPT HTE SPRAY GUN ONLY

The newly designed range of air caps from Air Guns are able to develop a long and tulip shaped spray pattern with an extra fine particle distribution and very little overspray.

This new technology allows even less experienced sprayers to obtain high quality and consistent finishing.

\$160.00
